

**EARN ALL THE
REQUIRED
CONTINUING
EDUCATION
CREDITS IN ONE DAY!**

Pesticide Applicator licenses are valid for a 3 year period, expiring on the applicator's birth date. During this time, applicators are required to earn continuing education credits to be eligible to renew their license without having to retest. These workshops meet the core requirements for Private and Commercial Pesticide Applicators licensed by the Colorado Department of Agriculture.

If you have questions about your renewal or credits, please contact::

Margaret Ortega
CDA –Pesticide Programs
Margaret.Ortega@state.co.us
(303) 869-9064

After attending this workshop, you will have earned all the required core credits to renew your applicators license. If you have a disability for which you seek an accommodation, please notify Logan County Extension 5 days before the event.

CSU Extension programs are available to all without discrimination.
